### LETTER OF RECOMMENDATION

It gives me great pleasure to recommend Ms. Aarathi Anilkumar (Registration Number:180011000304), to your esteemed academic institution as a potential student. I have known her since she was an M.A. student at Baselius college, Kottayam, Mahatma Gandhi University (2018–2020), and as her mentor for the course, I had the chance to monitor her closely.

Ms. Aarathi Anilkumar was a disciplined and obedient student throughout the course. The high standards of Aarathi's skills and creative practices are evidenced in her academic records. She has a propensity for inter-disciplinary academics along with studying the modules of her curriculum, she thrived to read widely and went deep into the ramifications of the theories and concepts, attesting her industrious approach towards her academics. She has always been an all-rounder who excels in extracurricular activities as well.

I strongly recommend her for admission to your esteemed institution. I assure you that she will make your institution proud.

Thanking you
